Adam Green's practice focuses primarily on mergers and acquisitions, joint ventures and majority and minority investments across multiple industries. He works regularly with media and emerging technology clients, often representing Swedish founders and startups in their growth and exit phases, and frequently represents foreign clients in Swedish matters as well as Swedish clients in transactions with an international element. Adam is actively engaged in training the firm's M&A lawyers and is a regular lecturer at Stockholm University, the Stockholm Center for Commercial Law, Handelshögskolan (the Stockholm School of Economics) and Domstolsakademin (Academy of Swedish judges). Adam has been repeatedly recognized as a leading Swedish M&A lawyer in Chambers, IFLR 1000, Legal 500, Who's Who Legal, and Expert Guide's World's Leading M&A Lawyers. With law degrees from Oxford and Columbia University and a number of years' experience at one of New York's most highly regarded firms, Adam is one of a very few Anglo-American lawyers working in Sweden.
