Klas Wennström is heading Mannheimer Swartling's Real Estate practice group in Stockholm. He specialises in real estate law and particularly in transactions involving real estate portfolios and real estate companies. Klas Wennström also advises on issues concerning real estate development and construction law. With over twentyfive years' experience of working with the real estate industry, Klas has a broad knowledge of this area, and of the major participants on the real estate market. He also has a recognised talent for seeing through transactions and finding solutions to complex problems.

AWARDS

- Klas Wennström heads the firm's real estate practice. Market commentators single out his talent for "seeing the

whole transaction and solving the issues," adding that he is "very solution-oriented" and creates a "very good atmosphere" in negotiations. (Chambers Europe, 2018)

- Ranked as leading individual and Expert within Real Estate by several ranking institutes such as Chambers Europe, Legal 500, The Legal Media Group Guides to the World's Leading Lawyers och Who's Who Legal. He is also mentioned in Legal 500 Hall of Fame and is one of the Swedish lawyers on the list of world-leading within their field in Expert Guides "Best of the Best".
- Klas Wennström is admired for his proficiency in real estate transactions and construction law, and peers describe him as "a very skilled lawyer." He is recognised for his expertise and is regarded by clients as a go-to lawyer for "specialised advice." (Chambers Europe, 2017)
