

Johan Granehult

Partner

Johan Granehult is the chair of the Infrastructure and Construction industry sector group. His practice focuses on construction and real estate. He also works with the chemicals and manufacturing industries. He assists clients with construction projects (particularly infrastructure projects and other large construction and industrial projects), real estate transactions and regulatory matters and various contracts within the chemicals and manufacturing industries. In addition, he assists in disputes in these areas. Johan Granehult has extensive international experience and has worked for many years on projects in the Middle East, China, Russia and Western Europe.
