

Therese Strömshed

Partner

Therese Strömshed is a member of the firm's Environment practice group. Therese has extensive experience of handling the environmental aspects in complex commercial transactions and large projects, particularly in the energy sector. She specialises in energy-, offshore-, and electricity regulatory matters.

Therese has also particular expertise in a broad range of product compliance related matters with primary focus on chemical compliance (REACH, RoHS and CLP), product safety and CE-marking requirements. Therese joined the firm in 2007 and has also worked at the firm's office in Brussels.
