Zoran Stambolovski is a partner in the Banking and Finance practice group, and also works in the Industrial, Real Estate and Infrastructure industry groups. He assists mainly borrowers in a large range of Swedish and International financial transactions with emphasis on acquisition financing, real estate financing, loan financing, bonds, structured financing and finance for infrastructure projects. Zoran has long-standing relations with many clients and often becomes involved in most of the client's financing matters both in and outside Sweden. Through his extensive industry know-how and understanding of the clients' business, he regularly participates in commercial and strategic discussions on behalf of his clients.
