MANNHEIMER SWARTLING

Opening DOORS through business law

THROUGH OUR *leading* BUSINESS LAW PRACTICE IN SWEDEN AND OUR OFFICES IN *Berlin* AND *Frankfurt*, MANNHEIMER SWARTLING HAS BEEN OPENING DOORS FOR OUR NORDIC CLIENTS IN GERMANY AND OUR GERMAN CLIENTS IN SWEDEN FOR OVER 20 YEARS. WE ADVISE CLIENTS OPERATING IN VIRTUALLY *all* BUSINESS SECTORS IN ESSENTIAL AREAS OF INTERNATIONAL *business* LAW. THIS IS WHY WE HAVE LONG BEEN AT THE FOREFRONT IN BRINGING TOGETHER *German* AND NORDIC BUSINESS.

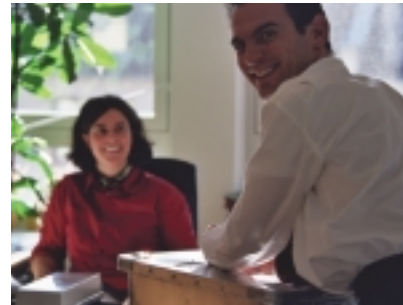

turning INSIGHT into action

TO SUCCEED, your company needs support from legal advisers who understand your company's business objectives. You need advisers who possess insight and current knowledge of the legal areas affecting your business now and in the future. Our lawyers are not only experts in individual areas of business law, they also want to understand your real business objectives and work with you to create results.

LEGAL TEAMS FOCUSED ON ADDING VALUE

All our lawyers in Germany have an international background, are *Rechtsanwälte* and speak Swedish or another Nordic language. Some are also members of the Swedish Bar Association or act as German civil law notaries. Our lawyers are well versed in the Nordic and German legal systems and accustomed to international business cultures. We are ready to add value to your business in Germany.

you WON'T find a *know-it-all lawyer* at Mannheimer Swartling

Our integrated multi-cultural legal teams specialise in individual areas of business law and often work with financial, tax and other advisers as well as auditors. These are the principal practice areas at our German offices:

BANKING AND SECURITIES

General banking law. General securities, stock exchange and capital market advice.

EU AND COMPETITION LAW

General competition law including notifications to *Bundeskartellamt* and via our offices in Brussels and Stockholm to the European Commission and *Konkurrensverket*, co-ordination of multi-jurisdictional filings, general procurement law and state subsidy rules.

CORPORATE

Establishing companies and partnerships. Incorporation. Distribution, licensing and joint ventures. Corporate governance. Notarial services.

ENVIRONMENT

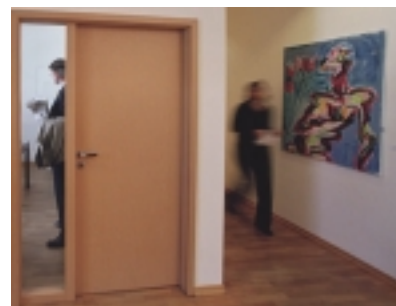

Due diligence and legal risk assessment. General environmental law including administrative law.

LITIGATION AND ARBITRATION

International commercial litigation, arbitration and appointment as arbitrators i.e. under the rules of the Stockholm Chamber of Commerce and the Deutsche Institution für Schiedsgerichtsbarkeit e.V. (DIS).

INTELLECTUAL PROPERTY

Trademark, copyright and design patent advice including infringement proceedings and licensing.

MERGERS AND ACQUISITIONS

Structuring of transactions, due diligence, purchase documentation and negotiations, primarily for Swedish and Nordic investors in Germany. Reorganisation and transformation matters. Notarial services.
